WHY DIGITAL DISPLAYS

Customers notice screens faster than posters.

Use a display standee for offers, menus, event promotions, brand messages, or local advertising. Content can be refreshed without reprinting physical boards.

WHAT WE PROVIDE

Professional screen advertising with simple content management.

Taleon

Digital display solutions

From display setup to content updates, Taleon helps you keep your business message visible, current, and attractive.

For Your Business

- Show offers, product highlights, and announcements.
- Replace printed posters with a cleaner digital display.
- Keep customers informed while they wait or browse.
- Improve the look and feel of your store or office.
- Update content without redesigning physical boards.

For Advertising

- Use your screen as a local ad space.
- Run multiple ads in a timed rotation.
- Schedule campaigns for different times of day.
- Promote partner brands and nearby businesses.
- Build an additional revenue stream from your location.

For Peace Of Mind

- Installation and setup support available.
- Content change support based on your plan.
- Screen status monitoring for managed customers.
- Simple renewal options for continued service.
- Support for images, videos, and campaign timing.

Example display standee

Recommended for visible floor placement in shops, receptions, showrooms, and waiting areas.
